App Name Aerabul Quran

Aerabul Quran is the scientific approach to the linguistic excellence of the Arabic Quran.

AlAerab (Inflection) is the change of the last syllable of the Quranic words that govern them either explicitly or implicitly.

Famous and well known research study of the entire Quran by Mohiuddin ad Durweshi, a linguistic scholar of Aerabul Quran.

Authentic and verified for accuracy.

Individual Quranic Surahs separated for quick and easy access.
